Caritas Burundi is recruiting a **Malaria Program Director** for an anticipated USAID bilateral community health activity in Burundi. The purpose of this five-year project is to accelerate reductions in maternal, newborn, and child morbidity and mortality through increased community engagement in malaria surveillance and response and the increased access to and availability of quality maternal, newborn, and child health, family planning messages, communication and information.

The detailed Terms of Reference are available on the bulletin board located at the entrance of Caritas Burundi as well as on its website www.caritas-burundi.org

Application files must include: a detailed Curriculum Vitae with 3 names of reference people, a cover letter addressed to the General Secretary of Caritas Burundi, diplomas and certificates of services rendered. They will be deposited in a closed envelope with mention of the position at the national headquarters of Caritas Burundi located in Bujumbura, MUKAZA Commune, Rohero Zone, Avenue du Grand Séminaire 03B.

Applications can also be sent via the following e-mail address:

ressources_humaine@caritas-burundi.org

The deadline for applications initially scheduled for December 08, 2023 at 3 p.m. is extended by one month. **Therefore, the new date for the submission of applications is set no later than January 08, 2024 at 9 a.m. sharp.**

Citizens of Burundi are encouraged to apply. Third Country Nationals and other expats are also eligible for this role.

Only shortlisted candidates will be contacted.
